“Sponsor An Angel” Program
Mother of the Redeemer Girls Home
Piura, Peru

Our sister parish, Santísimo Sacramento, works with the Mother of the Redeemer girls home in Piura, Peru. Over 100 young girls, ages 10-18 and who are either orphans or whose families live in unsafe areas in the jungle or mountains of Peru, live in the home full-time, year-round. These girls are cared for by an order of Peruvian nuns who nurture, educate and care for these sweet girls. The facility includes dorms, a kitchen and dining area, classrooms and chapel.

“Sponsor An Angel” is a program whereby a \$100 donation *per year* provides gifts for the girls on their birthday and Christmas plus various other things needed such as personal hygiene items and basic clothing. The nuns currently caring for the girls do not allow sponsorship of individual girls, but believe in using the funds to provide these items and gifts for *all the girls*.

We welcome anyone interested to join in this ministry! Please complete the form below and return it to the SJV Parish Office with your check made out to St. John Vianney. If you have any questions, please contact Julie Beres at (414) 333-6141 or jberes3@wi.rr.com or Mary Label at (262) 781-7372 or marylabel@icloud.com. Thank you!
