**Call to Order:** The St. John Vianney (SJV) Pastoral Council (PC) meeting was opened at 8:54pm by Doug Wildes.

**Pastor's Report:** Father Ken updated the Council on progress made with preliminary designs from MSI for the Doors to our Faith Campaign building activities. MSI met with staff to discuss their ideas for the design and Father stated that he liked what he saw so far. MSI had met the morning of the 20<sup>th</sup> with the office staff at the school to determine their needs for that portion of the remodel. More complete plans will be forthcoming and towards the end of July the Building Committee will start to review them.

Father presented preliminary Festival financial results. While attendance and revenue seemed down slightly over previous years, it still appears to have been a success.

**Formation Committee Presentation:** Ted Uczen presented a proposal for a Family Formation Program that the Formation Committee has been investigating. This program would be introduced slowly over a couple years with all members of the parish invited to take part in formation activities. Ted answered questions from the Council Members, then the PC came to the consensus that the Parish should move forward in implementing a Family Formation Program at St. John Vianney. The proposal was accepted.
