The Saint John Vianney Summer Camp is proud to be back for its second year! Our courses were chosen to specifically foster creative, social and critical thinking skills amongst the students, in an effort to create a unique and fun summer experience.

This year parents have the option of signing up for one week or two, depending on summer schedules, (partial day options are also available). Please review the course offerings and schedule carefully to best match your child's talents and interests. Thank you very much for considering our summer camp!
