

### **ITBS Third & Fifth Grade Schedule**

\* The Iowa Test of Basic Skills is administered to third and fifth grade students over a nine day period. Each day, the testing period ranges from 30 to 60 minutes in duration. This minimizes the possibility of test fatigue. The schedule below identifies the sub-tests that will be administered on each specified day. The testing window is April 13th through May 1, which allows time for make-up testing in the event of student illness.

#### **Monday, April 13th**
