

Introducing...

SJV's First Annual Fine Arts Night!

Date: Monday, April 25th, 2016

Time: 5:30-7:30pm

Location: SJV Cafeteria

Fine Arts Night is a night to celebrate the creative talents of our SJV students. Through our fine arts program, students learn creative thinking, self concept, problem solving, self expression, risk-taking, and cooperation. The fine arts promote cultural exposure and diversity, as well as social harmony and global commonalities, and encompass all academic subjects within themselves. This night will showcase how SJV students use these lifelong skills and express what they have learned in the fine arts.

Art:

Students in grades 3, 4, 5, and middle school art electives will create artwork in their art classes for the event. Ms. Bach will provide more details during class.

Music:

*Students who wish to provide music are invited to audition after school on **Tuesday April 12th**. Music performances can be a solo or a group, instrumental or vocal, for any student in grades 3 through 8. This is the perfect opportunity to showcase a WSMA Solo & Ensemble piece, or to prepare a guitar or piano performance!*

What to Expect:

- *Walk through the art gallery of student work while listening to live music provided by our students*
- *Participate in fun games for players of all ages*
- *This event is FREE and open to the public*

If you are a middle school student looking for service hours, this would be the perfect opportunity for you to help with set up, running the game tables, etc. If you are a parent who is willing to volunteer, please let us know!

Questions? Contact Ms. Bach or Mrs. Revers
