JoAnn and Michael Cekanor dispersed pledge and information packets for Curé d'Ars SJV School Annual Fund

### **Review amended committee guidelines**

Amended committee guideline were discussed and approved.

### **Discuss and gain agreement on our most productive and impactful activities**

After discussion the following were determined to be the most productive and impactful activities:

- The development of the ministry matrix
- Ministry assignments and interviews, using the ministry profile questionnaire
- From the ministry profiles data was extracted, among which, the number of SJV Parishioner participating (approximately 1,400) and the numbers served by the ministries (well over 20,000)

### **Confirm final Ministry assignments and review status of existing Ministry Profile data.**

Ministry assignments were confirmed and profile data forms were distributed.
