Blessing from Archbishop Jerome E. ListECKi

Wednesday, March 18, 2020, at the Cathedral of St. John the Evangelist, Archbishop ListECKi consecrated the Archdiocese of Milwaukee to St. Joseph and then traveled to 11 locations across the archdiocese to pray for healing from CoVID-19 and protection from evil. This blessing occurred on the first day of suspension of public Masses in the archdiocese.

In these challenging times, when the Church cannot gather for worship, Archbishop ListECKi wishes to make it clear to the Church and to the world that prayer remains effective and God's power is unsurpassable, despite prudent efforts to slow the spread of CoVID-19. As the local shepherd of the flock, Archbishop ListECKi went out to the entire Archdiocese of Milwaukee to formally lift up the Church in prayer. Through his witness to prayer and God's care for His people, Archbishop ListECKi invites everyone to deepen their confidence in Divine protection and blessing.

Upon leaving the Cathedral, the Archbishop traveled with the Blessed Sacrament and two priests in procession to one parish in each of the 11 deaneries of the archdiocese. At each parish, he blessed the entire deanery and its people to communicate the reality that Jesus Christ abides in our midst in the Eucharist and is true to His promise: "Behold, I will be with you until the end of the age" (Matthew 28:20). The itinerary was as follows.
