

# FAITH AT HOME

## Greetings!

A poem written by Madison, Wisconsin resident, retired teacher and chaplain; Kitty O'Meara:

And people stayed at home  
And read books  
And listened  
And they rested  
And did exercises  
And made art and played  
And learned new ways of being  
And stopped and listened  
More deeply  
Someone meditated, someone prayed  
Someone met their shadow  
And people began to think differently  
And people healed.  
And in the absence of people who  
Lived in ignorant ways  
Dangerous, meaningless and heartless,  
The earth also began to heal  
And when the danger ended and  
People found themselves  
They grieved for the dead  
And made new choices  
And dreamed of new visions  
And created new ways of living  
And completely healed the earth  
Just as they were healed.

The Lord is my strength and my shield. Psalm 28:7
