Dear Friends,

St. John Vianney Festival is back!!! Celebrating our 35th festival, our Festival Committee is thrilled to be preparing a safe and fun parish event for our community. Although this year remains a bit different ... different weekend, music options, etc., we are planning a great event that brings our parish together for some summer fun and fellowship. We will be featuring great dinners, live music, games, carnival rides, fast food, beverages, run for the pig & more. We are also pleased that the Jani-King organization has donated their services to provide professional cleaning and sanitization to best protect our attendees.

The Festival is one of SJV's largest fund & fun raisers supporting church families, parish activities & school programs. The success of the Festival begins with the generosity of our wonderful sponsors. The sponsorship program is critical to our festival success as it is our safety net to cover our fixed expenses in case of weather not cooperating.

This year, we will once again offer many different levels of sponsorship. Through **website exposure, bulletin, and appreciation video boards**, we're creating for you an opportunity to make a difference in the success of the festival. We hope that you will again join in the fun and support of this year's Festival.

So please, take a moment to look at the various sponsorship plans and see what might work best for you. Thank you for your past participation and future consideration in our festival sponsorship program. We warmly welcome your support in making this festival a fantastic event for our parish.

Sincerely,

St. John Vianney Festival Sponsorship Committee
